A New Age Cloud Based Digital
School, College Automation Platform

Product Information Brochure

Pramarg Tech Innovations LLP, Pune

Pramarg's Vision

Committed to build a best-in-class, next generation digital platform to enables rapid transformation of schools, colleges from traditional to technology enabled institutions, leaving a positive imprint on staff, parents & society ...!

Key Objectives:

- **Empower** schools to onboard them on digital platform
- Enable advanced **technologies** in school to stay ahead in the competition
- Transform schools from traditional to **next generation** solutions
- **Bridge the gap** between student/parent and schools
- Enable superlative education **eco-system** around schools

Pramarg – Technology Leaders with combined 60+ years of Industry Experience

Pramarg Tech Innovations LLP is a start-up established in May 2016 by ex-Oracle, Ex-Wipro technocrats and ex-Mastek business development leader with combined IT experience of 50+ to work on their passion to create a world class product in education sector with the vision of creating best in class, next generation platform which will really provides value addition to the institutions and transform them from traditional to technology enabled school leaving positive imprint in the EdTech domain.

With our technical expertise working with global top Tier1/2 Banks in BFSI domain, we build Vidyalekha with the extensive market research by visiting around 10 different types of institutions with different boards and geographic, building prototype and present after them and implementing their practical and valuable feedback. Within short span of 2-3 years of launch, Vidyalekha has become highly flexible, simple and usable platform, easily customizable and value for money product for institutions. No wonder we grew to 400+ customer's base within short span of time with 90% customer retentions ratio which is highest in the market for ERP domain.

Pramarg Tech Innovations LLP is Govt. recognized start-up by DIPP (Department for Promotion of Industry and Internal Trade)

With just focused approach on one product (School ERP and surround services) Vidyalekha aims to become market leader in India.

VidyaLekha USPs

- *Affordable and value for money solution for institutions*
- *Rich UI/UX & task driven Android App for every stakeholder*
- *Scalable, flexible, customizable to fit every institution*
- *Dedicated RM for every institution with round the clock on-call support*
- *Paperless operations from admission enquiry to admissions and day to day operations including fees and result processing and publishing*
- *Analytical forecasting and insights for owners and administrators making decision faster*
- *Reducing time and efforts up to 50-60% resulting in improving operational efficiency*
- *Record of 90% customer retentions ratio year on year*

Key Challenges and VidyaLekha Solution

1

Real-time view for owners and stakeholders

Missing real-time singular view for owners of chain of schools, action based dashboard view for staff & parents

Action driven dashboard for owners and all stakeholders

VidyaLekha provides fully customized and configurable action driven dashboard for owner, school staff, teachers and parents

Key Challenges and VidyaLekha Solution

1

Teacher/Admin View:
Mobile Application

The Teacher/Admin View mobile application interface includes the following components:

- Dashboard:** Shows Notifications (e.g., "01 Apr: Birthday reminder to class teacher-Birthday Reminder!!! Today's Birthday, Student: Shru..."), Homework (e.g., "20 Apr: First-01-A-Apple-Morning PENDING"), and Attendance (e.g., "20 Apr: First-01-A-Apple-Morning PENDING").
- Attendance:** Displays "Attendance Date: 04/20/2018" and a list of students with their status (Present/Absent).

Roll No.	Student Name	Status
1	Vedant Patil	Present
2	Shreyan Patil	Present
3	Yogesh Gunjal	Present
4	Supriya Mane	Present
5	Ganraj Jamadar	Present
6	Priyansh Patil	Present
- Homework:** Shows "Homework Type: Daily", "Assign Date: 04/20/2018", "Complete Date: 04/20/2018", and "Book Chapter List: Marathi->Arthkranti 2020->ch.no". The description is "धडा 1 वाचा मराठी पुस्तक".

Parent View:
Mobile Application

The Parent View mobile application interface includes the following components:

- Dashboard:** Shows Notifications (e.g., "08 Feb: notification for sagar testing test - notification for sagar testing test -"), Homework (e.g., "20 Apr: Science-Read law of relativity from Science book page no. 40..."), Event Calendar (e.g., "01 May: Summer Vacation (Vacation)"), Holiday Calendar (e.g., "01 May: Summer Vacation (Vacation)"), Attendance (e.g., "March 2018: 100%"), and Fees & Payments (e.g., "₹ Fees & Payments").

The Fees & Payments screen displays a donut chart showing "Paid Amount" and "Due Amount 1700". Below the chart is a table with the following data:

Item	Fees	Status
sport activities	1200	Due Aug 17, 2017

A "Pay Online" button is visible below the table.

The Homework screen shows a calendar for April 2018. The selected date is April 20, 2018. The homework details are:

- Science**
- Homework Status:** Assigned
- Assign Date:** Apr 20, 2018
- Target Date:** Apr 20, 2018
- Description:** Read Law Of Relativity From Science Book Page No. 40.
- Remark:** -

Key Challenges and VidyaLekha Solution

2

No effective communication/notifications tool

Less effective communication tools for internal communications (principal, staff, teacher, admin) and external communications between school entity and parents

Highly usable 4 channel communication framework

Interactive communication framework supporting automated messaging (fees/events reminders), custom groupings, ad-hoc notifications through multiple channels (SMS, emails, web, mobile app)

Mobile View

The mobile view of the notification form is displayed on a smartphone screen. The header shows a menu icon, the word "Notification", and a user profile icon. Below the header, there is a "New Notification" section. It includes three dropdown menus for "Group 1" (options: Student, All, ALL), "Group 2", and "Group 3". The "Subject" field contains the text "School will be closed on account of Gadghi Jaye". The "Body" field contains "School will be closed on account of Gadghi Jayatni". There are radio buttons for "Now" and "Later" under the heading "When you want to send this Notification?". At the bottom, there is an "Attachments" section with a "Choose File" button and a "No file chosen" message. At the very bottom, there are two buttons: "Cloud +SMS(ALL)" and "Cloud +SMS TO NO APP".

Browser View

The browser view of the notification form is displayed on a desktop screen. The header shows "Notifications" and "Send New Notification". Below the header, there is a "Notifications Groups" section. It includes two dropdown menus for "Group 1" (options: STU, All) and "Group 2" (options: CUSTOM, Custom Groups). The "Group 1" dropdown is selected, and a green box highlights the text "All Students across Institute Selected". Below the groups, there is a section for "Organizing Committee" with a dropdown menu. There are buttons for "Add Group" and "Delete Group". A note says "Note: You can create multiple target groups by clicking Add Group." Below the groups, there is a "Notification Details" section. It includes a "Subject" field with the text "School will be closed on account of Gandhi Jayanti" and a note "Subject will be used while sending Web, App & Email Notifications only". The "Body" field contains "Dear @stuName@ School will be closed on account of Gandhi Jayanti". There are dropdown menus for "@stuName@" and "@empDept@". Below the body, there is a note "66 Chars | 1 SMS Credit" and "Note: Do not mix up two different languages in the message. Credit Count may vary if variables are selected in message." There are radio buttons for "Now" and "Later" under the heading "When you want to send this Notification?". At the bottom, there are four buttons: "Cloud + SMS(ALL)", "Cloud + SMS TO NO APP", "Cloud only", and "Back".

Key Challenges and VidyaLekha Solution

3

Yearly Timetable setup for all classes

It's a tiresome, effort consuming process to setup yearly timetables for all classes.

Automatic Timetable generation process with preferences

Vidyalekha provides fully configurable automatic one click Timetable generation solution. It also take in to consideration different preferences while timetable generation.

Timetable » Generate Timetable

Timetable Title:

Timetable Date:

Select Template:

Shifts:

Select Standard:

Timetable Creation Status:

Key Challenges and VidyaLekha Solution

4

Time consuming yearly setup process

It's a time consuming process to setup standards, classes and students allocation to new batches.

Automatic migration from previous year to new year

Vidyalekha provides fully configurable automatic migration process. It also takes different preferences and new admissions in to consideration.

The screenshot displays the 'Migration Dashboard' in the VidyaLekha CBSE system. The dashboard is titled 'Migration > Dashboard' and includes a navigation sidebar on the left with options like Dashboard, User, Settings, Academics, Students, Staff, Calendar & Events, Gallery, Library Management, Examinations, Finance, Student Activities, Attendance, and Leaves. The main content area shows a note: 'Note: Please follow the below rules before start migration process'. The migration process is divided into six steps:

- Step 1: Standard Definition** - Shows 'Added Standards : 13' with a list of standards: NUR, STD-1, Third, Five, Eight, Tenth, Twelfth, bhv w gh, STD-8, STD-IV, Six, Nine, Eleven.
- Step 2: Standard Division Mapping** - Shows a mapping of standards to divisions (A, B, C). For example, NUR maps to A, STD-1 to A, STD-8 to A, B, C, and so on.
- Step 3: Class Management** - Shows a list of classes: STD-1-A, STD-8-b, Third-A, Five-A, Eight-A, Tenth-A, Twelfth-A, NUR-A, STD-8-hhhh, STD-8-bvob, STD-IV-A, Six-A, Nine-A, Eleven-A, bhv w gh hg.
- Step 4: Student Management** - Shows a table of student counts for various standards: NR (0), 01 (0), 03 (0), LK (0), 02 (0), 04 (0).
- Step 5: Final Setup** - Includes a green button: 'Click For Final Setup Migration'.
- Step 6: Start Next Academic Year** - Includes a red button: 'Click To Start Next Academic Year'.

The dashboard also features a user profile for 'Pravin ADMINISTRATOR' in the top right corner and a 'Help' icon in the bottom right corner.

Customer Testimonials

This product is so simple to use and useful to teachers, admin and principal, also it is improving our operations and taking communication between the parents and teacher to the next level. On behalf of all the staff members, thanking you for giving excellent support during implementation. Wishing all the best to VidyaLekha Team.

- Jyoti Khot, Principal, M.M.B's Modern English Medium School

We are very much happy to attend the product training session & it is very much beneficial to our Admin and Staff. Vidyalekha product is very easy to use, simple and effective for us to operate & we are sure it will be reduce all our manual effort towards administrative tasks and improve everybody's productivity.

- S.U. Daptardar Sujata, Admin, Sant Meera English Medium School
